

Name: Amayra

Gender: Female

DOB: 30.10.2023

DOA: 27.12.2023

Height: 61.5 Cm

Weight: 5.2 Kg

Background history:

Baby girl Amayra was brought to the hospital by her parents as shown in the record of the hospital. The baby was abandoned by her parents and both the father and the mother of the child is untraceable. The police were informed and after keeping child under observation for some time the child was discharged and produced in front of CWC.

The child was brought to Welfare home for Children for care and protection by order of CWC on 27.12.2023.

Child Report:

Amayra can lie on her stomach and lift her head for a short span of time. She tries to grasp toys with a tight grip. She makes various sounds and when her name is called, she looks towards the direction from which sound is coming and smiles if she sees familiar faces and shows lot of attachment to the caregivers.

Amayra is a sweet child and her development is normal as per her age.

She is being given mashed food and her growth is fine.
